

GENERAL PURPOSE WEB ADHESIVE

V00559

Description

A high performance web adhesive used for both temporary and permanent bonding. Its quick, initial tack and high solids make it perfect for cardboard, foam, plastics, cloth, polyethylene sheeting and carpeting. It is non-staining which makes it suitable for bonding fabrics and upholstery. This product contains no chlorinated solvents.

Areas of use

Use this adhesive where a strong permanent or temporary adhesion is needed such as: asbestos abatement, foam and upholstery shops, metal shops, marinas, RV industry, auto trim, carpet repair and leather shops.

First aid

If on skin: Wash with plenty of water. If skin irritation occurs: Get medical advice/attention. Take off contaminated clothing and wash before reuse.

If inhaled: Remove person to fresh air and keep comfortable for breathing. Call a poison center/doctor if you feel unwell.

If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.

If exposed or concerned: Get medical advice/attention.

If swallowed: Rinse mouth. Get medical attention if symptoms occur. If exposed or concerned: Get medical advice/attention.

Contains: (CAS No.): Trichloroethylene (79-01-6) and Carbon Dioxide (124-38-9).
